Dear Sir:

In response to the Restriction Requirement mailed from the U.S. Patent and Trademark Office on December 17, 2002, Applicants provisionally elect to prosecute Group I with traverse for the reasons given below. Applicants note this election is made solely in the interest of expediting prosecution and Applicants reserve the right to traverse division between Groups II and III and division between species in subsequent divisional filings. Applicants further reserve the right to file divisional applications relating to these claims without the need to file a terminal disclaimer.

Prior to Examination of the claims on the merits, please amend the above-referenced Application as follows:

IN THE TITLE

Please cancel the current title and enter the following new title:

CANINE IMMUNOREGULATORY NUCLEIC ACID MOLECULES AND USES THEREOF
